

MEET THE TEACHER!

CLASS 4

my favourite colour

Hello, Class 4!

I am Mr Spillane and I am very excited to be your teacher this year!

I have now worked at OLSB for three years and have been a teacher for even longer. I have taught children in many different year groups. After spending the last three years teaching Year 6, I am really looking forward to returning to Year 4. It is a brilliant year because you become more independent, explore exciting new topics and begin to discover just how much you are capable of achieving.

I love working at OLSB because of our wonderful children, families and staff. Everyone here wants to make our school the best it can possibly be. One of the most important things I believe is that we should try to improve ourselves a little every day. If you leave school having learned something new, shown kindness or tried your very best, then you have achieved something to be proud of.

I enjoy teaching every subject but I especially love Maths, Geography, History, PE and RE. I cannot wait to explore our Year 4 topics together and see all the wonderful things that you will create and achieve.

At home, my wife and I have two young children: a three-year-old daughter and a one-year-old son. They are lots of fun, but they also like waking up very early, so, if I sometimes look tired, you will know why!

I am a huge Bradford City supporter and have been for as long as I can remember. My favourite food is curry and if I could choose one final meal that would definitely be it!

Most importantly, I love helping everyone to feel happy, safe and included. In Class 4, we will work hard, support one another, enjoy our learning and encourage everyone to become the very best person they can be.

I am incredibly excited about the year ahead and all the adventures we will share together. I hope you have had a fantastic and safe summer and I cannot wait to welcome you all into Class 4!

Keep safe,

Mr Spillane
